Where Your Dollars Don't Go!

In addition to a cash sponsorship donation, Air Systems, Inc. underwrites the majority of the cost to put on this Signature Event - the Air Systems Car Show and Family Fun-Fest. The Air Systems Foundation is proud to say approximately 90% of the gross funds contributed go directly to our beneficiaries who are dedicated to improve and enhance the lives of children in our community.

How Can You Help?

The Air Systems Car Show and Family Fun-Fest is designed to be a very enjoyable experience for all attendees, exhibitors, volunteers and our loyal sponsors. We see ourselves as the host of one of the best, long-term events in Silicon Valley, while providing the broadest range of participation for sponsors.

We find that many show vehicle **EXHIBITORS** prefer to secure their own **SPONSORS** such as: employers, favorite businesses, clients, and family and friends. However, if an **EXHIBITOR** cannot find a sponsor for their show vehicle on his or her own, we have dedicated people on our committee who can recruit sponsors.

Some **SPONSORS** don't have show vehicles to exhibit and simply want to donate money or other "in kind" items and be part of a great event. We have many such opportunities for these **SPONSORS** and would be glad to discuss these at any time.
