"building our children's future"

"Thank you for your generous support and for giving me the opportunity to pursue my future endeavors. In memory of Mr. Larry Gates, I am deeply honored to be awarded this scholarship that is commemorating such an influential man. I am extremely grateful to have received this financial contribution, which will help me achieve my higher educational dream at UCSD. In pursuit of my joint degree in Economics and Mathematics, I hope to continue broadening my leadership skills, giving back to the community, and influencing my peers and those I work closely with."
